

MBCC is hosting our 2nd **Helping Hands and Hearts Servants Event** on October 25, 2008. The **Helping Hands and Hearts Ministry** is an excellent ministry that responds to the needs of the elderly persons with physical challenges and the chronically ill by offering a free service to clean their homes, and do yard work. The goal is to have MBCC servants spend at least one half of a day in a home to be an extra set of cleaning hands, and to serve as a blessing to others. The receipts of this service will be from Manna Outreach, our community and the MBCC church family.

Once again we are soliciting the servants at Mississippi Boulevard Church to assist in this blessed event. This ministry allows you the opportunity to contribute something useful to the Body of Christ and enjoy the fellowship as you work. The Lord wants us to use our special gifts to glorify Him and to bless others.

This second year, we are especially in need of your help to ensure that the campaign is a success! We plan to provide cleaning service to over 80 elderly homes and we can not do it without you! **You can get started by simply helping us to develop the list of persons interested in receiving the service as well as signing up to serve on Saturday October 25th starting at 8:30AM-1:00PM.** There will be table set up after church service on Sunday, starting September 14th- October 12, 2008. **The DEAD LINE for names of persons who would like to receive this service will be September 28, 2008.** The recipients will be on a first come first bases. Thank you for your consideration of this matter; we hope you will help MBCC take on this worthy cause.
